

TRADUZIONI IN INGLESE DI NOMI DI ESAMI

Analysis of Drugs I	Laboratory of Physical Chemistry 2
Analysis of Drugs II	Laboratory of Physics
Analysis of Pharmaceuticals (full course)	Laboratory of Physics
Analysis of Pharmaceuticals (short course)	Mathematics
Analytical Chemistry	Mathematics
Analytical Chemistry	Mathematics 1
Analytical Methods in Organic Chemistry	Mathematics 2
Biochemistry	Microbiology
Biological Chemistry	Microbiology
Biological Chemistry	Microbiology
Biological Chemistry	Molecular Biology
Biology and Genetics	Molecular Biology
Bioorganic Chemistry and Bioinorganic Chemistry	Numeric Analysis
Chemistry	Organic Chemistry
Chemistry	Organic Chemistry 1
Clinical Chemistry	Organic Chemistry 2
Clinical Methodology	Organic Chemistry 3
Comparative Anatomy	Organic Chemistry I
Computer Science	Organic Chemistry II
Cytology and Histology	Organic Electrochemistry
Developmental Biology	Organic Stereochemistry
Ecology	Pathological Anatomy
English Language	Pharmaceutical Chemistry
English Language	Pharmaceutical and Toxicological Chemistry I
Enzymology and Molecular Biology	Pharmaceutical and Toxicological Chemistry II
Experimental Biochemistry	Pharmacognosy and General Pathology (including Medical Terminology)
Experimental Pharmaceutical Chemistry	Pharmacology and Pharmacotherapy
Gastroenterology	Physical Chemistry
General and Inorganic Chemistry	Physical Chemistry
General and Inorganic Chemistry	Physical Chemistry
General Biology	Physical Chemistry 2
General Pathology	Physical Methods in Organic Chemistry
General Pharmacology	Physical Organic Chemistry
General Physiology	Physics
General Physiology	Physics
Genetics	Physics
Histology and Embryology	Physics 2
Human Anatomy	Physics and Statistics
Human Anatomy	Physiology
Immunology and Biochemical Techniques	Plant Biology
Immunology and Immunopathology	Plants of the Pharmaceutical Industry
Industrial Biochemistry	Radiology
Industrial Organic Chemistry	Socioeconomic Technology and Pharmaceutical Legislation
Inorganic Chemistry	Toxicology
Laboratory of Analytical Chemistry 1	Vegetal Physiology
Laboratory of Analytical Chemistry 2	Zoology
Laboratory of Chemistry	
Laboratory of General and Inorganic Chemistry	
Chemistry	
Laboratory of Physical Chemistry 1
